Lighting:	<ul style="list-style-type: none"><li>- 8 floor connections/ channels (dimmable)</li><li>- 48 channels in total.</li><li>- We use a follow-spot. We place it by the regie. Can we hang a decoupe here? Or you have a stativ? Or do we need to bring our own?</li><li>- We bring our own lighting desk.</li><li>- We bring our own colour gels.</li><li>- We do not use any moving lights/ DMX controlled lights.</li></ul>

- Audio:
- PA with separate sub
  - 2 monitors on stage
  - We place our wireless mic on stage, we will require a return connection from stage to mixer.
  - We bring our own mixer. (Behringer X32)
- Haze / Fog:
- We bring our own hazer.
  - Smoke detection should be switched off in accordance.
- Additional:
- Please see the lighting plan. Do you have enough lights? If not please let us know, we can bring our own.
  - For the follow spot, do you have the material to place it by the regie-area?
  - Our wireless microphone uses the 470 - 558 MHz range. Are they available in your area? If not, can we use a wireless mic of the venue?  
We have our own headset (DPA dfine 88), mini xlr and mini jack is possible.
